

“How Long Will America Last?” Malachi 3:1-5

The religious leaders as well as the people in general of Malachi’s day are involved in stark rebellion against God and His grace plan which extends to their fellow Jews.

The USA is a favored nation selected by God due to our original founding documents and the intent of our founding fathers BUT we are not a Christian nation.

One of the greatest enemies to positive spiritual influence in a nation is born-again believers who reject the study of biblical truth and yet want to arrogantly crusade to improve the devil’s failed world system above all else.

The nation forms a human barrier against a unified supremacy of evil in the world controlled by Satan, the Prince and power of the air.

There are two biblical ways of handling opposition to us:

1) Commit it to the Lord as our spiritual function and 2) Commit it to the laws of the land as our nationalistic patriotic function.

True Christian influence in a nation is spiritual, although our responsibility is defined under God’s established laws of the land.

The conditions that were existing in Jeremiah’s day parallel the conditions which exist in our country today.

As a result of their relationship with Him, the Jews, like all national entities under God’s plan, were designed to have fantastic happiness and blessing — a condition which can only exist where God’s laws are followed!

As believers in Jesus Christ, we are to love everyone; the unbeliever with an unconditional impersonal love and our fellow believers with a personal love, no matter who they are.

Unbelievers who’ve rejected God’s grace provision for salvation must face the alternative to grace, which is always judgment.
