

Malachi 09 “How Long Will America Last” Part 3 Malachi 3:1-3

Man by man’s efforts cannot solve man’s problems; we simply cannot do such things by legislation.

The Lord is calling attention to the fact that it’s necessary for a message to exist before people can come to their spiritual senses and stop being deceived by the satanic concepts all around them which will destroy them; so, God knows and Malachi knows they’ve got to have a positive message.

National recovery does not depend on the leaders of a country or the passing of its laws; we cannot solve man’s problems by passing man-made laws.

And there’s a time coming when the Lord Jesus Christ will suddenly enter the temple; ‘suddenly’ because He won’t be expected and His coming is to indicate that everything in the temple represents Him, His work, His ministry and His Incarnation.

So, we have a contract with God and the messenger of the contract is Jesus Christ who announced to His generation that He would go to the Cross and die for the sins of the world and He had to declare to the Jews that His Cross must come before His crown.

And there’s an application to us right now: ‘Who or what is going to preserve our nation and how are we going to reverse the trend that exists today?’

The answer is through evangelism, a maximum number of people receiving Jesus Christ as their personal Savior; the salt of the earth is the only answer!

Ultimate consignment to the Lake of Fire is exactly what the sentence is for the fallen angels and in order to demonstrate that Satan’s position is non-defendable, God created mankind.

The filling of the Holy Spirit plus the removal of religion leads to the revival of Judaism with real meaning and that is the story found in Ezekiel chapters 40-48.

In that day, they will have all this by way of the personal reign of Jesus Christ on earth and we can have them now in America through biblical truth.
