

“The Only True Equality On Earth” Galatians 3:28-29; 1st Corinthians 2:9-13

Where man has consistently failed, only God’s grace has found a way to bring about equality in the human race.

The greatest minds in history to include Satan as well as the brightest human, can neither conceive of nor design one aspect of the grace of God.

To consider human IQ as a factor in learning biblical truth not only implies that a lower human IQ believer would be handicapped in the perception of God’s Word but it also suggests that God is unfair.

In this dispensation of the Church with the completion of the Canon of Scripture, no one audibly hears the voice of God.

There is NO WAY in which man’s ability or man’s plans can ever enter God’s magnificent portrait of His grace.

God has graciously provided for us to learn as much as possible of the entire mystery doctrine of the Church Age.

All worship is now centered in learning Bible doctrine and before, the Lord Jesus was the direct target in the angelic dispute but now, all believers are the object of satanic attack.

God’s grace system excludes human systems of perception or human wisdom, in other words, grace excludes all meritorious systems.

No matter how high our human IQ is, we’ll NEVER learn of spiritual matters apart from the filling of the Holy Spirit.

Biblical truth presented ONLY combines with God’s grace system, NOT with human ability, human IQ or any other system of human perception.

All food goes through the same process and we ONLY participate in the digestion process by selecting, placing the food in our mouths, chewing and swallowing it; GOD’S GRACE DOES ALL THE REST!

God’s gracious impartial equal faithfulness is simply His consistency in dealing with all of His creation fairly and justly.

God is impressed with what His integrity can produce which is His amazing grace in action and His grace excludes our pleasing personalities, our human good and our self-righteousness which many people think influences Him.
