

“Have You Checked Your Bank Account Lately?” Ephesians 1:3-8; Romans 11:33-36

The Lord Jesus Christ petitioned God the Father in prayer to provide what had already existed from eternity past in the divine decrees.

While grace is the genius plan of God to bless us and integrity is the character of God to ensure that it happens, biblical truth is the manifestation and explanation of that genius.

Biblical truth must be more real to us than our sensory or rational knowledge so if there's a conflict between what we see or hear or think in life and what the Word of God says, the Word is always right.

Wisdom is both knowing and doing the will of God which requires a self-disciplined approach to the spiritual life and a desire for instruction on how to be successful.

God has a plan for us in which our lives are to be a constant laser focus on His Son and when it is, our dying will only be a substantially profitable experience!

And speaking of profit, have you checked your bank account lately?

If we truly believe God, we'll never again look at ourselves as being superior or inferior because of any human factors such as the color of our skin, our nationality, our genetics, our education level, any success or failure we've had or even our economic status.

So why would God reverse His plan after salvation by requiring us to work to gain His attention now?

Grace is the miracle God provides that involves our non-meritorious positive response and each Member of the Trinity has certain responsibilities related to the function and policy of grace as each performs certain works which are grace related, meaning we don't earn or deserve or work for any of them!

In summary, God has blessed us, elected us, predestined us, graced us out and made us all super rich and these things were all accomplished in eternity past and yet they become a reality to us in time!

Biblically speaking, our wealth resides in our thoughts so as far as God is concerned, our wealth is determined by our ability to think of Him and His promises made to us.

Nothing is foreknown until it is first decreed by God and His foreknowledge simply acknowledges what is in His decree and it's for believers only.

All of us are being kept alive with the primary purpose of learning the mind of the Lord and using His biblical truth in the devil's world.

We must be occupied with the Source of grace not to be distracted by the blessings of grace.
